

7–10 Day Sri Lanka Adventure Route Planner

A simple route worksheet for linking Kitulgala, culture, hill country, safari, and the coast into a balanced 7–10 day Sri Lanka trip without overloading it.

Best for: International travellers planning the whole Sri Lanka trip before arrival.

SHAPE YOUR ROUTE

- ☐ Order the trip: arrival → Kitulgala → Kandy / Sigiriya → Ella → safari → coast.
- ☐ Decide the trip's character: active, relaxed, wildlife-led, or comfort-led.
- ☐ Set your total nights and protect at least one slower day mid-route.
- ☐ Note arrival and departure airport times for first- and last-day logistics.
- ☐ Choose accommodation comfort: budget, mid-range, boutique, or luxury.
- ☐ List your top three must-do experiences so the route is built around them.
