

Sri Lanka Adventure Packing List

A practical packing list for rafting, canyoning, hill-country hikes, safari, beach days, and humid weather — so you arrive prepared for a private adventure route.

Best for: Travellers close to departure who need clear, useful preparation advice.

PACK THESE ESSENTIALS

- ☐ Quick-dry shirts and shorts, plus one warm layer for the hill country.
- ☐ Sturdy shoes or trainers you can get wet; sandals or flip-flops for the coast.
- ☐ Swimwear and a quick-dry towel.
- ☐ A dry bag for phone, wallet, and camera on water days.
- ☐ Reef-safe sunscreen, a hat, and sunglasses.
- ☐ Insect repellent and any personal medication.
- ☐ A light rain layer — showers are possible in most months.
- ☐ A reusable water bottle and a small daypack.

Specialist rafting and canyoning gear is provided — you only bring clothes you are happy to get wet.

What to send us for a fast, accurate plan

Fill these in, then send them via WhatsApp or the enquiry form and we'll shape a private plan around your answers.
